ANOTHER OUT FOR CONGRESS

Anthony Theodore Monahan Says He'll Run Against Dahlman.

SENATOR KOHL OF WAYNE FILES

Seeks Renomination in the Seventh Senatorial District—More Names Secured for the University Removal Petition.

(From a Staff Correspondent.) LINCOLN, April 4.—(Special.)—Anthony Theodore Monahan is the way he signs himself, and he has filed with the secretary of state as a candidate for the democratic nomination for congress in the Second district. He gives his place of abode at 1317 Blaine street, Omaha. He will vie with Mayor Dahlman and the present congressman, C. O. Lobeck, and such others who feel like it for the democratic nomination.

Senator Philip H. Kohl of Wayne has filed for renomination on the democratic ticket to again represent the Seven senatorial district, composed of the counties of Cuming, Wayne and Pierce. Senator Kohl served in the last session, and was chairman of the committee on drainage.

Filing for Governor.

The secretary of state received the filing of John Cepelcha for governor. His legal residence is given as Geranium township, Valley county, but who gets his mail at Burwell in Garfield county. He addresses a personal letter to the secretary of state in which he gives a biography of his official life with the information that all papers are welcome to publish it but should expect no pay. In a postscript, he says, "I love the women very much, but have not decided yet whether I am for woman suffrage."

His letter is as follows:

Dear Sir: I am old enough to qualify, my age is 43. I am the owner of 30 acres, but my farming do not amount very much. I taught school about 15 years, I was township clerk 12 years, I was clerk of election 12 years I was road overseer for 3 years and at last I am township assessor and was for 7 years, but this year law will not allow me to run for assessor so many times; therefore I will try for governor. I am a native born, holding my head above water, but if the people believe the "motto" equal rights for all without any exceptions for to get nomination and elected then my hat is in the ring.

Ask for Roberts' Return.

Extradition papers were granted by Governor Morehead this morning, on request of the governor of Kansas, for the return to Washington county in that state of C. R. Roberts, under arrest in Holt county for obtaining money under false pretenses. Roberts represented that he owned certain personal property and drew a check on the Citizens' State bank of Stuart for \$750.

Charter to Farmers' Bank.

The Farmers' State bank of Inman, in Holt county, has been granted a charter by the State Banking board. The bank has a capital of \$15,000 and the officers are: Ed F. Gallagher, president; W. W. Watson, vice president, and E. C. Sharp, cashier.

More Names on Petition.

Three thousand additional names for the petition for the submission of the university removal proposition were filed with the secretary of state today. The main petition was filed something like a month ago, but in some instances the names on the petitions were not satisfactory, notably the names secured during the state fair in which there was no way to certify the names as in fact belonging to people who lived in the locations designated, and no additional names sufficient to cover the discrepancies were secured. This makes the petition sufficient.

No Raise for Professors.

According to Chancellor Avery, a lack of funds will prevent further expansion of university work. Professors will have to be content with their present salaries. The total budget next year will be about \$520,000, of which \$222,000 will be for salaries. Ten years ago the total budget was \$203,000 and the payroll \$200,000. At that time there were 2,500 students in the university while today there are in the neighborhood of 4,000.

Notes from Sutherland.

(SPECIAL.)—SUTHERLAND, Neb., April 4.—(Special.)—After an illness of a day, Mrs. Sarah J. Sherwood passed away Tuesday at her home in Sutherland at the age of 67. She has been a resident of this vicinity since the early settlement of the country, and had a wide acquaintance among the older citizens. The body was taken to Wurtzboro, N. Y., for interment.

Fire destroyed the frame farm house on the farm of W. R. Cunningham, eight miles south of Sutherland. No one was residing there, owing to a change in tenants, and the origin of the fire is unknown.

David Hunter, the pioneer orchardist of western Nebraska, who has an extensive fruit farm just north of town, returned a few days ago from Redlands, Cal. Sometime ago Mr. Hunter invested in an orange orchard in California, but after due investigation he has concluded that western Nebraska yet offers satisfactory opportunity for fruit growing. Nearly 20,000 bushels of apples were produced on the local orchard last season.

New Depot in Use.

(SPECIAL.)—FAIRBURY, Neb., April 4.—(Special.)—The Rock Island railroad completed the switch over the St. Joseph & Grand Island railroad yesterday and several passenger trains from the east stopped at the new \$40,000 passenger station last night. Since July 23, 1911, the citizens of Fairbury and Jefferson county have been using a dismantled coach for ticket office and waiting room and a box car for a baggage room.

An inspection train bearing Vice Presidents A. C. Ridgeway and McKinnis and General Manager A. E. Sweet of Topeka arrived in the city last evening and hastened the construction of the crossing. Shortly afterwards the train left for Horton, Kan. The effects were highly pleased with the condition of affairs at Fairbury.

Grain Men Win Suit.

(SPECIAL.)—PLATTSBORO, Neb., April 4.—(Special.)—In Judge Beeson's county court yesterday afternoon McCarthy & Sturm, grain merchants at Union, won their suit for \$150 against the Missouri Pacific for labor and material furnished in repairing old cars. Numerous Filings For Office Are Made

(From a Staff Correspondent.) LINCOLN, April 2.—(Special.)—Nebraska's filing mill ground out a few more grists this morning, the secretary of state's office receiving filings from the following who desire to serve their country in legislative and congressional capacities: Wilbur W. Anniss desires the republican nomination for congress in the First district. Mr. Anniss lives at Dunbar, in Otoe county, and served in the Thirty-second legislature in 1911. He is about 41 years of age and made a good impression while serving in the lower house, and was a member of the republican minority, serving on the committees on rules and medical societies.

D. M. Southeth of Overton, in Dawson county, files for the republican nomination in the Twenty-fifth senatorial district, composed of the counties of Lincoln, Dawson and Keith. This district was represented by Walter V. Hoagland of North Platte at the last session. It was rumored during the session that Senator Hoagland would be a candidate for governor and as he has not filed for a chance to represent his district again there may be some foundation for the rumor.

Charles E. Pyle of Halsey wants the democratic nomination for representative from the Seventy-first district. This district was represented at the last session by Jason W. Baker, a republican, and is composed of the counties of Loup, Blaine, Grant, Hooker, Thomas, Logan, McPherson and the new county of Arthur.

Governor Morehead Against Primary Law

(SPECIAL.)—YORK, Neb., April 4.—Governor Morehead addressed a large and appreciative audience at the Young Men's Christian association banquet last evening. He spoke particularly of the care of the youth between the ages of 8 and 10 years. He stated that 80 per cent of the murders in the country were committed by men under 21 years of age.

The governor gave a resume of the business of the state, and especially the cost of maintenance of the state institutions. The governor frankly spoke against the primary law in its present form. He said it tended to defeat good men and nominate ringleaders and bad ones. He spoke against the removal of the state university and gave his reasons why he thinks it should remain where it is. He lauded President Wilson and gave an optimistic survey of the future. He was heartily applauded and those present crowded around him to extend congratulations.

SOUTHEASTERN TEACHERS CONCLUDE THEIR SESSION

(From a Staff Correspondent.) LINCOLN, April 4.—(Special.)—The session of the Southeastern Education association closed here last night with the election of officers as follows: President—Superintendent J. A. Doremus of Auburn. Vice President—Superintendent I. N. Clark of Pawnee City. Secretary—Miss Anna Lammons of Tecumseh. Treasurer—Superintendent R. R. McGee of Syracuse.

Executive committee—J. A. Doremus of Auburn, Superintendent J. A. Woodard of Hawick and Principal A. Hillier of Beatrice. There was little sign of the factional difficulties which were so apparent at the state meeting last winter. The president-elect is a regular while the vice president is an insurgent.

One of the features of the session was a luncheon at the Lindell hotel in which Mrs. Morehead, wife of the governor, presided. Short talks were made by Miss McHugh of Omaha, president of the State Teachers' association; Prof. Driggs of the Utah university, Prof. H. W. Caldwell of the state university, Mr. Gettys of the State Normal board and two or three others.

The place for holding the next session will be selected by the executive committee.

Ladies! Look Young Darken Gray Hair

Use Grandma's Sage Tea and Sulphur Recipe and nobody can tell. Brush it through hair.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, waxy and scraggy, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyneth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Notes from Harlan County. ALMA, Neb., April 4.—(Special.)—S. M.
